

Dear Fellows,
Dear Doctors,
Dear Professors,
Dear Colleagues,
Dear participants of the Online Class Academy "Let's talk about kidney stones".

The **3rd Online Class Academy**" scheduled for March 25th is **CANCELLED**.

Dr. Carl Van Haute will give us his lecture on April 8th at 06:00 CET (need to be confirmed yet).

Updated invitations will be sent to you as soon as our team has confirmed the necessary changes. On behalf of the organizers, we apologize for this unexpected change.

At the same time, we would like to **thank you for joining us in such large numbers!** Your comments, which we receive almost daily from all over the world, show that you appreciate this international initiative. This is very encouraging and motivating. We sincerely thank you! We would also like to **thank the speakers, experts and all participants for sharing their experience and for the time spent in the two previous classes.**

This initiative aims to bring us closer together despite the distance with **a clear objective for you** → to become an expert in the field of renal lithiasis thanks to the unprecedented accessibility to the discussion with international experts in this field.

We are at your disposal to adapt future topics according to your needs and the problems you encounter at this stage.

We thank you for your understanding and hope to see you on April 8!
In the meantime, take good care of yourself.

Sincerely,
Our speaker's team and organizers
