

## Invitation to OnLine Academy 2022-2023: “Let’s talk about kidney stones”

Dear Fellows, Dear Doctors, Dear Professors, Dear Colleagues,

We are delighted to invite you for **the 3rd year of *Online Academy “Let’s talk about kidney stones”*** webinars.

The scientific program has been prepared in collaboration with worldwide experts from the *International Collaborative Network on Kidney Stones (ICONEKT)*.

This year, we will continue to focus on the gaps between the pathophysiological discoveries and clinical aspects of patients with kidney stone disease.

Our aim is to share the knowledge within the community of healthcare professionals interested in the improvement of understanding of kidney stone disease pathophysiology to update the skills in the assessment, treatment and follow-up of the kidney stone formers.

The **monthly virtual meetings on Thursday** 06:00 PM CET (Central European Time) corresponding to 11:00 AM Central Standard Time (CST) in the U.S. will include:

- a ‘vignette case’
- lecture given by one of remarkable teachers and speakers followed by
- question-answer session.

### How to join the “*Online Class Academy*”?

You can join ALL sessions by this unique link: <https://brugmann.webex.com/meet/agnieszka.pozdzik>

We look forward to seeing you 20<sup>th</sup> October for the 22<sup>nd</sup> Class!

Sincerely,  
Organizers:

**Hospital Universitaire Brugmann, Kidney Stone Clinic, Université Libre de Bruxelles, Belgium**
