

Invitation to “Let’s talk about kidney stones” OnLine Academy 2023-2024

Dear Fellows, Dear Doctors, Dear Professors, Dear Colleagues,

We would like to thank you for your commitment to joins us online for the webinars during the last academic year despite your very busy days.

We are pleased to invite you to the **4th year of "Let's talk about kidney stones"** webinars. The scientific program has been prepared in partnership with experts from the International Collaborative Network on Kidney Stones (ICONEKT).

The **monthly virtual meetings on Thursday** 06:00 PM CET (Central European Time) corresponding to 11:00 AM Central Standard Time (CST) in the U.S. will include a lecture given by one of remarkable teachers and speakers followed by a question-answer session.

This year, we will be continuing to focus on the gaps between pathophysiological findings and the clinical management of patients with kidney stones.
